Prices Yield on Raiding of

Favorite Issues, Lower-

ing Early Srength.

NOTE - Contains reflect closing miss Wednesday, April 29.

Wednesday, April 28.

New York, April 28.—The market closed feesay today. Early strength was set maintained, prices yielder on raiding of special boson, selling of stocks recently brought has appoint prices and decreased buying for sheet occusion. Egaconistion drauged to the late afternoon, the market outlering from the effects of reaseed continents present against Columbian Parith and a severe break in limit little and collaboral bunds. Some shares engatured because of a point or more.
